### **MEMBERSHIP IS A MUST!!!**

The *GHS PTSA* exists to provide services and support to the faculty and students at Germantown High School. We also act as a link between the parents, teachers and students of *GHS*.

Your membership dues are the *ONLY* means by which the PTSA operates. We do not have a fundraiser. Without your membership and the funds it provides, the PTSA could not effectively perform its much-needed tasks.

## VOLUNTEER OPPORTUNITIES at GHS

Copy room- A volunteer is needed approximately two hours, twice a week to make copies for the faculty.

Library - The GHS library needs a volunteer each day to help with special projects. These volunteers usually do not shelve very many books.

Guidance Office - The Guidance office handles class scheduling, college transcripts, SAT, ACT, and other entrance exams and special projects. They require a volunteer each day who **MUST** be a PTSA member.

Special Projects- These one time opportunities include Vision/Hearing screening, secretarial help and tutoring.

Hospitality- Volunteers help serve and contribute items for teacher events.
